## FOUNDER'S NOTE

Dear RG Family,

As we enter this new year, my heart is filled with gratitude and expectation. Looking back at how God moved through Revival Generation Ministries in 2024, I am reminded that His power is still at work, transforming lives, restoring families, and setting captives free.

This past month, we have seen God's hand move mightily in our crusades, training programs, and outreach efforts. People who were once bound by addiction and hopelessness have found freedom in Christ. Young leaders are rising with a passion to spread the Gospel. Communities once filled with despair are experiencing the fire of revival. This is only the beginning!

As we step into 2025, I truly believe this is the year of greater harvest. The Lord is calling us to deeper prayer, greater faith, and bolder steps in advancing His Kingdom. But we cannot do this alone. Your prayers, support, and partnership make this mission possible.

I encourage you to seek God's presence like never before and step into the calling He has placed on your life. Let us run this race together, with a heart fully surrendered and a passion to see Jesus glorified in every nation.

Thank you for being part of this revival movement. Let's believe for even greater miracles, salvations, and breakthroughs in the months ahead!

With love & prayers,

Shubin Baby

As we step into 2025, I am filled with gratitude and expectation for all that God is doing through Revival Generation Ministries. January has been a month of deep intercession, follow-up, and powerful encounters with the Holy Spirit.

One of the greatest highlights this month has been the powerful intercession prayers we have been holding every Monday, Tuesday, and Thursday at our prayer center in Siliguri. God has given us the burden to stand in the gap—praying for our nation, our ministry, and countless individuals who have sent in their prayer requests. We have seen breakthroughs, healings, and testimonies come forth as a result of these prayers, and we know that God is moving in ways beyond what we can see.

## FOLLOW UP MEETINGS

Did follow-up meetings for ensuring that those who gave their lives to Christ are being disciplined and strengthened in their faith. We have been intentional in following up on the seeds sown in our previous crusades, ensuring that those who encountered Jesus continue to grow in their faith. Follow-up meetings have been a key focus, where we have seen many new believers strengthened, disciplined, and set on fire for God.

## YOUTH MEETING

We recently conducted a Mentorship Gold Youth Event, where young people had the opportunity to engage in meaningful discussions and seek guidance on various aspects of life and faith. During the event, the youth were encouraged to ask questions on topics ranging from spiritual growth, personal struggles, and biblical understanding to practical life challenges such as relationships, career, and purpose.

Through this interactive session, they received wisdom, encouragement, and biblical insights from experienced mentors. The event provided a safe and open space for young believers to express their doubts, share their experiences, and deepen their understanding of God's Word. It was a powerful time of learning, equipping, and inspiring the next generation to walk confidently in their faith.
